

## *Sense of Self*

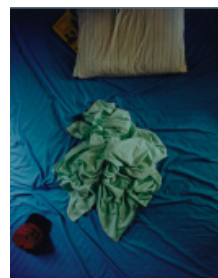

Part of the ICA's mission is to support the career growth of emerging, mid-career, and legacy artists. In that capacity, we are able to facilitate the sale of available works. If you are interested in any of the works in the show, please feel free to inquire at the front desk or email our Curatorial Assistant, Marielle at [marielle@sjica.org](mailto:marielle@sjica.org)
